

# FUNC FLATSCREEN WM T

Are you looking for a new angle?

Look no further. The Func Flatscreen WM T is a wall-mounted bracket for medium screens with a tilt function. It can carry up to 30 kg. It is a very strong and reliable construction tested by the Royal Swedish Institute of Technology. The Func Flatscreen WM T can be tilted 10 degrees forward so you can adjust the screen to your desired position. It is easy to mount, so just look forward to the perfect view.
