

# MOBILE AND TRIPOD SCREENS

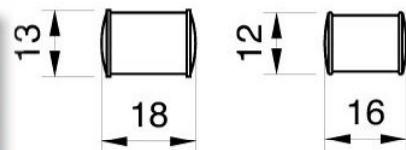

## BUTTERFLY mobile

Even more mobile, even quicker to open.  
Up to 2m40 base.

- On both ends of the case of the screen, there is a handle and two large wheels that make it easy to carry around.
- The case design, fully made in aluminum, offers an efficient protection of the screen while carrying it around.
- All there is to do is lift the top bar of the screen to open it instantly, thanks to the pantograph mechanism.
